

Sundaya Solar Home System 2

The Sundaya Solar Home Systems are made for the installation of a low-priced, but also nice designed illumination in your home. They are designed for a permanent illumination of rooms or the complete house. They are available with different components for different applications.

Data

System components	Quantity
PVS160 Solar Panel kit	1
> Nominal operating voltage [VDC]	12
> Rated power [W]	40
> Dimensions [mm]	520x640x40
Sundaya S4.500 Set	1
> Nominal operating voltage [VDC]	12
> Output capacity [A]	10
> Dimensions [mm] / Weight [kg]	305x195x380 / 18
Sundaya Alight RS 6W	1
> Nominal operating voltage [VDC]	12
> Rated power [W]	6
> Dimensions [mm] / Weight [kg]	428x125x51 / 0,28
Sundaya Multilight 3 6W	1
> Nominal operating voltage [VDC]	12
> Rated power [W]	9
> Dimensions [mm] / Weight [kg]	300x260 / 1,15
Hub 1 Cable	1
T-Con	1
